

# Law Firms

Spanning our twenty year history, Fox RPM Corp. has extensive experience with law firms. Fox has managed successful facility transitions by providing the following services:

- » Construction Management
- » Pre-Construction Services
- » Furniture Management
- » Design Support
- » Relocation Management
- » On-Site Services

## Core Challenges of Law Firms...

- » 100% Business Continuity
- » Complex File Systems
- » Partner-specific Office Planning
- » Intricate Furniture Requirements

Key clients who have turned to Fox for project management include:

» **Bingham McCutchen**

Project Duration: 11 months  
 # of Personnel: 700  
 SF: 315,000  
*Fox provided relocation and furniture management services, successfully maintaining 100% business continuity and providing individually customized furniture layouts for each partner. The move included: 4,000 file drawers, 7,000 crates, 3,000 linear feet of library materials, 3,000 case boxes, and 2,000 linear feet of minute books.*

» **Dewey LeBoeuf**

Project Duration: 6 months  
 # of Personnel: 185  
 SF: 90,000  
*Multi-phased project that included the relocation of executive office furniture, conference rooms, support spaces, a computer center, office equipment, files, support areas and contents.*

» **Prince Lobel Glosky & Tye**

Project Duration: 5 months  
 # of Personnel: 88  
 SF: 45,000  
*By moving from a variety of office shapes and sizes into a new facility with rectangular and standardized office sizes, considerable communication between Fox and the partners was needed to advise partners on which existing pieces of their individually-owned office furniture could fit and work well in the new space.*

» **Edwards Angell Palmer & Dodge**

Project Duration: 13 months  
 # of Personnel: 490  
 SF: 210,000  
*The move was completed exactly on time and the client expressed their satisfaction with the seamless transition. Over a three-day period the project moved from working smoothly out of one building to working equally smoothly out of a different building located across town. 1,200 lateral file cabinets and 18,000 linear feet of paper files were moved.*

» **Foley Hoag**

Project Duration: 16 months  
 # of Personnel: 500  
 SF: 207,000  
*The move included a full-service kitchen, significant amount of computer equipment, several granite conference room tables, a large law library, a large central file room and 18,000 linear feet of paper files. Foley opened for business in their new location on Day 1 after the move.*

» **Burns & Levinson**

Project Duration: 12 months  
 # of Personnel: 300  
 SF: 108,000 sf  
*For this eight phase expansion and renovation, Fox implemented a creative solution that used the existing shelving instead of buying new.*
